

1. MANAGEMENT MEETING 3RD AUGUST.

Management committee members please note that there will be no Management Meeting tomorrow. From my point of view there is no business to discuss at this time. For the record, Eddie, please send out the monthly Treasurer's Report to the committee members.

If you have anything to discuss, give me a call. I can certainly organise a Zoom meeting, if need be, at any time.

2. WEEKLY QUIZ.

For the loyal quiz fans I advise that it is not on this Wednesday. We are having our second Covid jab Wednesday afternoon - it will return the following week.

3. SCG OUTING

Tour obviously cancelled at this time. The money for this outing is in the bank. We will hold this money as it is our intention to try for another date after lockdown. If you require your money to be returned to your bank account, please contact the Treasurer direct.

4. CHRISTMAS IN JULY

No money collected fortunately. However, when the lockdown is lifted we will try to make another date for this event.

5. ELVIS

Elvis has left the building. The Events Committee will discuss the possibility of hearing and enjoying Elvis at another time.

6. CHRISTMAS LIGHTS - HUNTER VALLEY

Until advised otherwise this event will take place.

7. OCTOBER CAR RALLY

Not sure on this one - entirely dependent on lockdown situation. I am sure James or Rosemary will be in touch when the path ahead is clearer.

8. CARRINGTON HOTEL

I will email those who have paid for this event separately with an update.

That's all folks!

Cheers
